New Delhi, 4th June 2019: In continuation of its efforts to provide quality and engaging content to subscribers, **Dish TV India Limited** launches '**Dishkiyaon Cup**' – **Winner Batao, Winner Ban Jao** contest to leverage the World Cup fever. The contest aims to reach out to all cricket enthusiasts and provide them an opportunity to win exciting prizes. All new & existing DishTV & ZING subscribers are eligible for this contest.

The Dishkiyaon Cup contest offers an opportunity for every participant to win upto 30% cashback on their next recharge for correct predictions. The top 10 quickest predictors for each match will win 1 month of free subscription on daily basis and the top 10 quickest predictors of the tournament will get 1 year free subscription of DishTV on the basis of their current subscription.

Additionally, the brand has come out with various ways to entice consumers and engage maximum participation. The users can participate by submitting their predictions via red button on the remote, buzz channel, web or Dish TV app. Each cricket team would be assigned a missed call number for each match day, post which participants just need to predict the winner by giving a missed call from their registered number. Furthermore, participants can change their prediction multiple times before match starts, the last prediction will be considered for the contest.

We, at Dish TV, always look at ways to enhance the viewing experience and to bring alive exciting moments for our audience. With launch of Dishkiyaon cup, our customers can be part of the Cricket World Cup in a unique way and also be winners themselves with assured prizes."*
